Thank You Webster!

Webster Drug Take Back Day was a success!

Over 4 hours on Saturday, we collected 321 lbs of expired and unused medications from over 120 Webster households!

We are grateful for your efforts to help protect your family, friends, and neighbors, by safely disposing of unwanted or expired medications.

WPD Officer Ambrosetti, Adam Bronson,
Assemblyman Brian Manktelow, Joe Seaver,
Deputy Town Supervisor Patti Cataldi,
and Janine Sanger

This event was presented by
the Webster Health &
Education Network, in
partnership with the Town
of Webster, Webster PD,
and Assemblyman Brian
Manktelow.

Town of Webster

Walter W. Bradley

Water Pollution Control Facility

Employee Recognition

Last week the Town recognized Tim Keegan, an Operator at Webster's Wastewater Treatment Plant, for achieving certification as a Grade 4A Operator.

Wastewater Treatment Plant (WWTP) certification in New York State includes a detailed system of requirements for Operators to become licensed and qualified for positions.

Certified individuals are capable of abating water pollution, maintaining complex machinery and processes in modern facilities, and complying with a facility permit in the State Pollutant Discharge Elimination System (SPDES).

The treatment plant Operator is an environmental steward, who protects both water quality and public health.

Rick Kenealy - Chief Plant Operator, Tim Keegan, Patti Cataldi - Deputy Town Supervisor, Art Petrone - Deputy Commissioner of Public Works

Licensed Operators at any level of certification must meet a combination of educational and approved hands-on operator experience requirements, pass mandatory pre-certification courses, and pass an Association of Boards Certification (ABC) exam.

There are four licenses for an activated sludge process and four licenses for a non-activated sludge process. These four licenses escalate in complexity and requirements in education and training, to a Grade 4A.

Even after passing the certification exam and acquiring the official license, continuing education is required, documented, and submitted to the New York Water Environment Association (NYWEA) within every five years to maintain certification.

The Town of Webster now has three 4A Operators working at the facility, including Rick Kenealy and Dwayne Hilfiker.

Grade 4A Operators are responsible for submitting reports to various regulatory agencies and being the Operator of record for the plant.

Tim has worked toward this certification for several years and we are very proud of his achievement!

Congratulations Tim!

WEBSTER ANIMAL CONTROL

JULY 4TH

TIPS FOR PET PARENTS:

Webster Animal Control would like to remind you to please make sure that your dogs are licensed and have identification on them at all times, with your current contact info.

Even dogs that are not normally frightened by loud noises are often frightened off by fireworks and may not be relocated for weeks.

We strongly suggest that you leave your dogs at home during firework displays.

If you are going to have firework celebrations at your residence, please let your neighbors know so they will be able to secure or medicate their dog prior to the fireworks.

ANTI-ANXIETY WRAP

* Changes Orientation of the Body, the way the Dog moves, Affects Behaviour
- If the Dog wants to take it off, TAKE IT OFF
- For SENIOR DOGS: 2-3 Times / Day; 10 - 15 mins (Short Sessions Only)
LONG SESSIONS will result to Habituation and the Awareness will be gone

Take your dog for a long walk, to allow them to potty and tire them out before the noise begins.

Provide your dog with a special treat or toy, to distract them, such as a frozen Kong filled with treats.

Consider using a calming tool, such as a ThunderShirt or anti-anxiety wrap.

Please remember that the month of July is not a month-long firework celebration, as it can be terrifying for animals and a mental health trigger for our veterans of war.

Hometown Proud

In 1953, Bruce and Mary Hegedorn opened their supermarket at 964 Ridge Road.

For 70 years, our Webster community has benefited from their **Hometown Proud** service and dedication.

As Hegedorn's closes this week, we want to thank all of the employees who have served our community over the years.

We will miss the special customer service provided by the staff, including carrying groceries to our car!

Hegedorn's market has been a strong supporter of the community, from sponsoring sports teams, to taking collections for the food pantry.

Over the years, Hegedorn's has been the go-to place for unique local brands, the best donuts, breads, & meat selections, and the amazing balloon displays!

*Special Thanks
to the Hegedorn Family
for 70 years of
community partnership!*

Looking Ahead...

- The current building will be divided into tenant spaces, and one part will be occupied by Webster Wine & Spirits.
- Plans for the remaining spaces are still being discussed, and could include a Bill Gray's restaurant and tap room.
- Guida's Pizzeria will be moving to the Village, at 160 W. Main St., and will open in mid-July.

SAVE THESE DATES!!

Caring Community Concerts

A Summer Concert Series to Benefit Our Community.

July 12: Allegro

Benefit for Webster Hope Food Pantry...Free will offering

Allegro is Western New York's premier party band! The 8 piece group has performed for thousands of satisfied customers over the past 20 years. Allegro is known for playing many different styles of music, from straight ahead jazz to today's current hits.

July 19: Ruby Shooz

Benefit for Webster Community Chest ...Free will offering

The Shooz are known for their high energy extravagant Rock-N-Roll show...EXCITING from the moment they hit the stage, the Shooz play songs from the 1950's and 60's, and now some classic 70's. Ruby Shooz is one of the most unique bands to come out of this region in decades.

July 26: Prime Time Brass

Benefit for Webster Public Library BookBox for Kids and Teens...Free will offering

Prime Time Brass, Rochester's powerhouse brass band, plays a crowd-pleasing mix of Big Band Jazz, Pop, New Orleans-style, and show stopping patriotic productions. The "PTB" style features sizzling brass, amazing showmanship, and outrageous crowd interaction.

August 2: Dady and Ryan

Benefit for Webster Comfort Care...Free will offering

The Dadys have been a summer concert favorite for many years! Joining John Dady will be John Michael Ryan playing tin whistle and button accordion. They will be bringing together the elements of traditional Irish and American folk music. This promises to be an interesting and entertaining evening of music.

August 9: 8 Days a Week

Benefit for Webster Friends of Webster Trails...Free will offering

The 60s were defined by the music of The Beatles. The band 8-Days-A-Week will bring back many of those memories! They've been entertaining in the Rochester area for more than ten years. Whether -Days-A-Week always provide a wonderfully nostalgic and authentic sound. You will enjoy the timeless classics of The Beatles recreated by this talented quartet!

**Concerts to be held on front lawn of Webster United Church of Christ
570 Klem Road - Webster, New York 14580**

Bring a blanket, Bring a friend...Bring a picnic, or Choose from our picnic menu.

Concessions open at 6:00 pm

For additional information contact the church office at (585) 671-3757
